VERSE 2: There's a party going on that's going to change
 The way we live
 But how do we know we've even been invited
 Now the invitation's waiting and the table is
 Reserved
 So just play it cool and don't get excited
 Work all day or work all night it's all the same
 Will we ever change
 It's vocation or vacation
 Some are workers
 Some are not
 It is time for a party
 Syncopation for the nation now!

CHORUS: (Repeat)

INSTR: Drum break + GTR Solo on E ||: D/E // E6 :||
 + Work! Ha! (x7)
 Work! Now! Ha!

VERSE 3: Breaking in the future just before the week is up
 They can do it but it's going to take some money
 Have what you desire if and when you see the fact
 They will lead us to the land of milk and honey
 Work all day or work all night it's all the same
 If you want the pay
 Some drive tankers
 Some are bankers
 Some are workers
 Some are not
 It is time for a party
 Liberation for the nation now!
